

The Premier Plus Plan

(The Most Complete Coverage)

For customers who prefer the ultimate coverage. This plan covers ALL repairs other than the specifically listed exclusions.

Covers ALL breakdowns with only the following exceptions:

- Scheduled maintenance and normal maintenance services
- Wear items*
- Body plus interior and exterior trim and fabrics
- Rattles, squeaks, wind noise and weatherstripping
- Rust, damage and corrosion
- Telephone, television, radar detectors, and appliances
- Air bag assembly, manual seat belt assembly, seat covers, and steering wheel
- Distributor cap and rotor and spark plug wires
- Chassis frame and tailgate assembly
- Clutch friction disk and pressure plate and throw out bearing
- Fuel vapor canister, EGR valve, catalytic converter, emission system, exhaust pipe, and muffler
- Any parts or components of a natural gas fuel system and electric vehicle fuel system
- Jack and tool kit
- Wheels, wheel rims and hub caps
- Core charges
- Odors
- Glass
- Leaf and coil springs
- Hoses
- Brake rotors and Drums

Also excluded are navigation systems, night vision systems, GPS systems, limited sight distance warning systems UNLESS the additional Luxury Option is selected.

*Includes, but not limited to, brake linings, pads and shoes, accessory drive belts, spark plugs, filters, tires, fluids, windshield wiper blades (rubber component), batteries, light bulbs, floor mats, shock absorbers, and MacPherson struts.

This document is intended as a sample of vehicle service contract coverages. The actual coverages, exclusions, and limitations of the contracts issued to customers may vary, both from state to state and according to the program features chosen by the customer.

The Powertrain Plan

(Covers All Items Listed in Panel A)

The Powertrain Plan includes coverage of parts in the engine component, automatic or manual transmission and the axle assembly.

You also receive these Additional Coverages with the purchase of a SECURENET® Vehicle Service Contract.

Roadside Assistance

Includes towing, lockout assistance, fuel delivery, jumpstarts, and flat tire changes. Available 24 hours, 7 days a week, 365 days a year.

Substitute Transportation

You will be reimbursed up to \$50 a day for a maximum of five days for substitute transportation if a covered part fails and your vehicle cannot be repaired in a timely manner.

Protection When You Travel

You will be reimbursed up to \$75 a day for a maximum of four days for meals and lodging if a covered part fails and you are over 150 miles from your principal residence.

Transferability & Enhanced Resale Value

Your contract can be transferred to the new owner should you decide to sell your vehicle. Your SECURENET® Vehicle Service Contract may even enhance your vehicle's resale value.

Protect yourself from unpredictability. SECURENET®-serious coverage you can count on!

Protection

Protect yourself from those unexpected expenses that can result from the ownership of your vehicle. By purchasing a SECURENET® Vehicle Service Contract, you have the security of knowing that you are protected on future covered repairs.

Peace of Mind

No matter how repair prices may increase in the future, you can have peace of mind that your SECURENET® Vehicle Service Contract will pay covered repairs and protect you from repair price increases.

Predictability

Knowing key components of your vehicle are covered for unexpected repair expenses, you can better budget your personal finances.

New Vehicles

with Roadside Assistance

Protection Plans

Accepted at Repair Facilities Across the U.S.

Because the road ahead is unpredictable.

Vehicle

WHY BE AT RISK FROM UNEXPECTED COSTS OF REPAIRS? THE SECURENET® VEHICLE SERVICE CONTRACT[†] WILL HELP KEEP YOUR VEHICLE RUNNING LONGER FOR LESS.

NATIONWIDE ACCEPTANCE

Your SECURENET® Vehicle Service Contract can be used and is accepted at repair facilities throughout the U.S.

ESTIMATED REPAIR COSTS...

COMPONENT	COST ESTIMATE*
Engine	\$ 3,000
Transmission	\$ 2,300
Brake System	\$ 1,000
Air Conditioning	\$ 900
Power Steering	\$ 750
Drive Axle	\$ 400

A SECURENET® Vehicle Service Contract may help you reduce the above repair costs – depending on your contract deductible!

Choose a plan that is right for you TODAY!

*Cost estimates may vary by vehicle make, model, and repair facility repair rates.

[†]The term "Vehicle Service Contract" as used herein also means mechanical breakdown insurance policy in Louisiana.

THE POWERTRAIN PLAN (A)

ENGINE COMPONENTS

All internally lubricated components and: Balance Shaft and Belt, Piston, Crankshaft, Camshaft, Timing Belt, Timing Cover, Timing Chain, Timing Gears, Engine Mounts, Flexplate, Exhaust Manifolds, Intake Manifold, Turbo Intercooler, Turbo Assembly, Turbo Wastegate, Crankshaft Pulley, Oil Pan, Flywheel, Oil Pump, Engine Oil Reservoir, Engine Oil Reservoir Pump, Seals and Gaskets, Cylinder Heads, Supercharger Assembly, Valve Covers, Supercharger Intercooler, Equipment Drive Shaft; Engine Block (but only if damaged as a direct result of a mechanical failure of a covered component). Rotary engine components including: Rotor, Bearings, Apex Seal, Eccentric Shaft.

MANUAL TRANSMISSION

Transfer Case Components: ALL internally lubricated components and: Transmission Mounts, Seals and Gaskets, Clutch Master Cylinder, Clutch Release Cylinder, Gears and Shaft, Hydraulic Clutch Lines, Shift Linkage; Case (but only if damaged as a direct result of a mechanical failure of a covered component).

AXLE ASSEMBLY COMPONENTS

(Front, Rear, Four-Wheel and All Wheel Drive): All internally lubricated components and: Propeller Shaft, Universal Joints, Thrust Washers, Seals and Gaskets, Axles and Bearings, Locking Hubs, Constant Velocity Joints and Boots, Center Support Bearing, Viscous Coupling, Drive Axle Housing (but only if damaged as a direct result of a mechanical failure of a covered component).

AUTOMATIC TRANSMISSION

Transfer Case Components: ALL internally lubricated components and: Torque Converter, Shift Linkage, Vacuum Modulator, Seals and Gaskets, Solenoids, Transmission Mounts; Case (but only if damaged as a direct result of a mechanical failure of a covered component).

THE PREMIER PLAN (A+B)

The Premier Plan covers all items listed below-(Panel B) in addition to those listed in The Powertrain Plan-(Panel A).

ELECTRICAL

Starter Motor, Power Window Motor/Regulator, Starter Solenoid, Power Mirror Motor, Wiper Motor, Manually Operated Switches, Alternator, Power Door Locks, Power Seat Motors, Automatic Shoulder Belt Motor and Switches, Power Antenna Motor Assembly, Distributor, Sunroof Motor, Cruise Control, Power Mirror Defogger, Automatic Temperature Control Module, Cruise Control Vacuum Motor, Lamp Failure Indicator Sensor, Windshield Washer Pump, Defogger Relay, Automatic-Off Headlamp System, Headlamp Washer, Electric Fuel Pump Assembly, Engine Cooling Fan Motor, Retractable Headlamp Motor, Clutch Starter Interlock System, Convertible Top Motor.

SUSPENSION COMPONENTS

(Front and Rear): Upper and Lower Control Arms, Control Arm Shafts, Radius Arm, Spindle Support, Spindle, Bearings and Bushings, Tie Rod Assemblies, Upper Ball Joints, Lower Ball Joints, Steering Knuckle, Electronic Modulated Suspension Actuator.

BRAKE COMPONENTS

Master Cylinder, Brake Booster, Wheel Cylinders, Disc Brake Calipers, Parking Brake Cable, Brake Line and Tubes, Proportioning Valve, Load-Sensing Proportioning Valve, Seals and Gaskets, Anti-Lock Braking System (ABS) Actuator.

COMPUTERS AND ELECTRONICS

Tilt/Telescoping Steering Computer, Variable Induction System, Electronic Fuel Injection (EFI) Computer, Electronic Instrument Display Computer, Electronically Modulated Suspension Computer, Automatic Shoulder Belt Computer, Progressive Power Steering Computer, Power Seat Computer, Sunroof Control Computer, Cruise Control Computer, Trip Computer, Electronic Ignition Module, Intrusion Monitoring System, Anti-Lock Braking System (ABS) Computer and Sensors, Electronically Controlled Transmission/Transfer Case Computer and Sensors, Engine Control Computer.

STEERING COMPONENTS

Idler Arm, Relay Rod, Tie Rod, Pitman Arm, Steering Column Shaft, Steering Column Coupling, Steering Dampener, Steering Column Assembly, Power Steering Pump, Gear Box internal components and: Rack and Pinion, Seals and Gaskets, Steering Gear Box and Pump Housings, (but only if damaged as a direct result of a covered steering component).

FUEL SYSTEM

Fuel Injectors, Fuel Pump, Fuel Tank, Carburetor, Fuel Pressure Regulator, Diesel Fuel Injection Pump, Fuel Sensors, Air Flow Meter, Electronic Fuel Injection System, Throttle Body.

COOLING SYSTEM

Engine Fan Motor, Radiator, Water Pump, Engine Fan Shroud, Engine Fan Clutch, Seals and Gaskets, Engine Fan, Fan Bracket Subassembly.

AIR CONDITIONING/HEATING

Condenser, Evaporator, Bearings, Compressor Clutch Assembly, Compressor, Condenser Fan and Motor, Heater Control Valve, Receiver/Dryer, Expansion Valve, Pressure Regulator Assembly, Blower Motor, A/C Pressure Switches, Seals and Gaskets.

The Premier Plan gives you all the protection of the Powertrain Plan with added coverages in the suspension, brakes, air conditioning, heating, fuel system, cooling system, steering, electrical and computer components.

This document is intended as a sample of vehicle service contract coverages. The actual coverages, exclusions, and limitations of the contracts issued to customers may vary, both from state to state and according to the program features chosen by the customer.
